Sir,

With reference to Official Memorandum No. 4214 dated 27th February 1907, calling for a report on Dasara Subject No. 433 of 1906, I have the honor to state that the Amildar of Koppa reports that the right to Sandalwood grown on Inam lands belonging to the temple of Sri-Rishya Sringeswara Swami at Kigga was established so far back as 1871. Subsequently, i.e. in 1877 a Cash grant of Rs 2057-10-- was settled in lieu of land endowments of the temple -

Then again in 1891, the cash grant was converted into Land Inam to the

Extent

extent of Rs 3600/- as may be observed from Government Order No 1065-5-7 dated 15th December 1891, on a representation that the cash grant was disproportionate to the revenue of the Inam lands resumed.

It is further seen from G.O.No 235-8 dated 18th August 1898, that the right to Sandalwood grown on Inam lands was recognized.

It is asserted by the Amildar that timber required for repairs of the temple was being removed from the jungle of the Inam lands from time immemorial.

For the foregoing reasons, and having regard to the fact that the right to major forest produce, viz., the Sandalwood, has already been conceded by Government, the minor item of timber and other forest produce

may as well be conceded.

Sir,

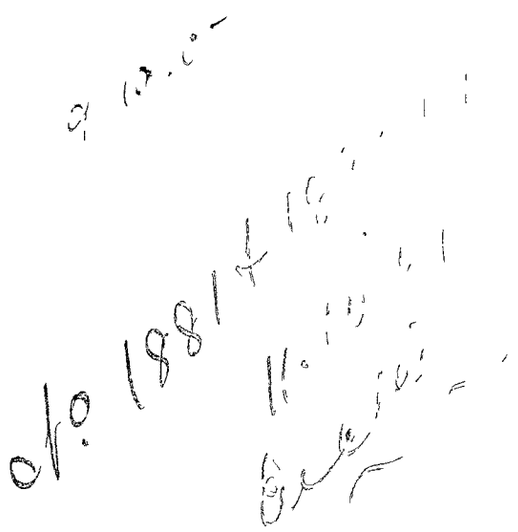
I am directed to State that in Govt order no 235-8 dated 10th August 1898, the right of the Kigga Sringeswararaswamy Sri Rishi M temple to all Sandalwood grown on its Inam lands was recognized by Govt. During the last year's Dasara meeting, the Representative members of the Koppa Taluk prayed that the right to timber and other forest produce, which the temple in question was originally enjoying in the villages of Yeda Yedadile, Kagasu Gowd and Markal may be conceded to it The



Dy. Commr. of the Kadur Distt. to whom the subject was referred recommends in his letter of the 9th September last (copy of which is herewith forwarded for reference), that having regard to the fact that the right to the major forest produce viz the Sandalwood has already been conceded by Govt., the minor item of timber and other forest produce may as well be conceded.

2) As this forms one of the many subjects brought forward ~~during~~ for the ensuing Dasara also, I am directed to request that you will be good enough to ~~furnish~~ favour Govt with your opinion on the subject, at a very early date, to enable Govt. to pass final orders thereon at the

Sir;

Referring to your letter No 1882 dated the 11th instant, I have the honour to state that I am not aware of the Extent of the rights conferred on the Temple. It is, however, gathered from the Deputy Commissioner's letter to your address – a copy of which accompanies your letter that the right to Sandalwood has already been conferred on the Temple. In this

circumstance, it seems to me that there is no objection to the same being extended to timber also.
